## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

Expecting return my funds (62, 137 usd)

I have opened a defi 3732 wallet Crypto.com account with the amount of 24,137 USDT. My business partner sent 38,000 USDT to this account which increased the principle of the account to 62,137 USDT. Later on December 13, 2022 this amount was transferred to pledging without my authorization and was blocked because the account did not meet the requirement of the pledging, which is having 100,000 in my account. In this matter is unauthorized transfer had been occurred.

As a result, I do not have an access to my account. Since, I was not informed of the pledging requirement in advance, I believe this activity is illegal and can be classified as fraud. Also according to the Patriot Act I feel it is my responsibility to notify you about this activity.
